COURSE A – CAT AND CLASS DEMYSTIFIED

Brenda Hooper is the Manager: Children and Schools for NYCC Library and Information Services and has many years of experience working in public, higher education and school library services. She now runs a joint public library/school library service across the county.

Cataloguing and classification give a structure to the organisation and retrieval of library resources and as a specialism can be daunting to staff with little experience or knowledge. The aim of this session is to demystify the Dewey scheme and to give library staff confidence to apply the basic principles of cat and class within their own library.

COURSE B – STOCK SELECTION AND THE LIBRARY BUDGET

Catherine Dobson is Team Leader: Young People and Schools for NYCC. Catherine is a Chartered Librarian and also holds post-grad. qualifications in teaching and in leadership and management. She has experience working in both primary and secondary schools. During her 7 years with the School Library Service Catherine has advised and assisted schools with choosing and purchasing stock. This course will look at deciding which resources to buy for the school library and how to juggle that often-too-small budget to get the best results.

COURSE C – EVENTS AND IDEAS AT A MOMENT'S NOTICE

Lynne Coppendale is a Chartered Librarian and the Chair of SLA Yorkshire and Humberside. She is currently on maternity leave from her position as Librarian at Danum STC in Doncaster.

This workshop will give you lots of ideas, contacts and website addresses to help you organise something special at a moment's notice! There will be an opportunity for everyone to contribute and share details of successful events they have run.

COURSE D – CHILDREN DO READ – FACT!

Lyn Hopson, Jane Harvey and **Lesley Hurworth** are librarians at secondary schools in Doncaster. They all have several years' experience of running reading groups and of shadowing the Carnegie and Greenaway Medals with secondary and primary level pupils. Lyn has also led the setting up of the Doncaster Children's Book Award which is a collaboration between the school and public libraries in the town.

The session will look at setting up, running and maintaining attendance at reading groups within school, followed by tips on shadowing young people's book awards.

AN EVENING AT BORDERS

Borders bookshop is situated in the centre of York opposite the famous Betty's Teashop. You are invited to come and listen to a talk by a local author who will give advice on organizing author visits to schools. Refreshments will be served and you will have a chance to browse the shelves and, if you wish to purchase, to take advantage of a fantastic **15% discount** on all books!
